

ARE YOU A CERTIFIED LEGAL SPECIALIST?

If you are, you are aware of the extra training, experience and competency it takes to be a certified specialist. You are also aware of the benefit your clients receive employing a certified specialist.

JEFF TABOR

DON'T YOU WANT A SPECIALIST REPRESENTING YOU IN YOUR NEXT OFFICE LEASE?

Of course you want the benefits of a true specialist representing you. Someone with three decades representing law firms without a single conflict of interest.

While there is no tenant's broker certified specialist designation in CA, if there was, Jeff would be the first to qualify.

WHAT DO JEFF TABOR'S CLIENTS HAVE TO SAY?

"Corporate Realty Advisors saves me thousands of dollars every year by reviewing and challenging my landlord's proposed building operating expenses! You are simply the best firm out there today representing law firms!"
